INDEPENDENT AUDITORS' REPORT

Governance Board
Tampa Metropolitan Area Young Men's Christian Association, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Tampa Metropolitan Area Young Men's Christian Association, Inc. (the "Association") (a nonprofit organization), which comprise the statement of financial position as of September 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Tampa Metropolitan Area Young Men's Christian Association, Inc. as of September 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tampa Metropolitan Area Young Men's Christian Association, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Metropolitan Area Young Men's Christian Association, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tampa Metropolitan Area Young Men's Christian Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tampa Metropolitan Area Young Men's Christian Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Tampa Metropolitan Area Young Men's Christian Association, Inc.'s 2023 financial statements, and our report dated January 18, 2024, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; and Chapter 10.650, *Rules of the Auditor General* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 16, 2025, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

September 30, 2024

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief description of the organization and a summary of its significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

1. Organization

The Tampa Metropolitan Area Young Men's Christian Association, Inc.'s (the "Association"), mission: To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

The accompanying financial statements include the Association's administrative office and the accounts of the Association's programs maintained in its following branches:

Bob Gilbertson Central City Family Branch
Bob Sierra Family Branch
Bob Sierra Youth & Family Center
Camp Cristina Branch
Campo Family Branch
Sulphur Springs
Downtown Branch
Dade City Family Branch
East Pasco Branch
South Tampa Family Branch
North Brandon Family Branch
New Tampa Family Branch
Northwest Hillsborough Family Branch
Plant City Family Branch
The Spurlino Family YMCA at Big Bend Road
The First Tee of Tampa Bay
YMCA Express at West Park Village
Early Headstart
Before and After School Enrichment

2. Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Association, the accounts of the Association are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

The Association follows the provisions of FASB Accounting Standards Codification Topic 958 "Not-for-Profit Entities" ("ASC 958"). This requires the Association to distinguish between contributions that increase net assets without donor restrictions and net assets with donor restrictions. It also requires recognition of contributed services meeting certain criteria at fair value.

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The Association utilizes the net assets without restrictions and net assets with restrictions groupings to account for its resources. Contributions, grants receivable, and pledges receivable are presented in these groupings as applicable, in the accompanying financial statements. ASC 958 requires a statement of financial position, a statement of activities, statement of functional expense, and a statement of cash flows for not-for-profit organizations.

The assets, liabilities and net assets of the Association are reported in self-balancing fund groups as follows:

- Net Assets without Donor Restrictions - Accounts for all resources over which the Governance Board has discretionary control in carrying on the Association's operations.
- Net Assets with Donor Restrictions - Accounts for all pledges and contributions restricted to specific Association projects most of which consist of specific programs or capital projects at the branches. Contributions of cash and other assets are reported as net assets with donor restrictions if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions. All contributions are available for unrestricted use unless specifically restricted by the donor. Also accounts for any contributions that are restricted into perpetuity. Terms of these donations require the funds to be segregated from the Association's operating fund. Earnings will be released to the Association for general operations.

3. Investments

Investments are fairly stated at fair value based upon quoted market prices with dividends, interest, investment fees, realized and unrealized gains and losses captioned as investment return, net on the statement of activities and changes in net assets.

4. Grants Receivable and Revenue

Grants receivable relate to support received from federal, state, and local grants. None of the amounts receivable at September 30, 2024 are deemed to be uncollectible. Therefore, no provision for uncollectible accounts has been made in the accompanying financial statements.

Tampa Metropolitan Area Young Men's Christian Association, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

September 30, 2024

NOTE A - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Revenue from federal, state, and local grants is recorded based upon performance obligations specified by the terms of the grantor allotment which generally provide that revenue is earned when the allowable costs of the specific grant provisions have been incurred.

Revenue is subject to audit by the grantor and, if the examination results in a disallowance of any expenditure, repayment could be required. Management does not believe that any disallowance that may occur as a result of these audits would have a material impact on the financial statements. The Schedule of Expenditures of Federal Awards and State Financial Assistance provides information by federal and state grant for the year ended September 30, 2024.

5. Contributions Receivable

Contributions receivable represent unconditional promises to give by donors and are reflected in the financial statements at their net realizable value. The allowance is based on prior years' experience and management's analysis of specific promises made.

6. Land, Buildings, Equipment and Construction in Progress

Land, buildings, equipment, and construction in progress are recorded at either cost or fair value at the date of receipt of donation. The Association follows the practice of capitalizing, at costs, all expenditures for property and equipment in excess of \$5,000 and a useful life of three years. The Association's policy is to test land, building, equipment and construction in progress for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. There were no events or changes in circumstances indicating that the carrying amounts may not be recoverable at September 30, 2024.

7. Depreciation and Amortization

Depreciation and amortization are recorded based on the cost of the underlying assets over the estimated useful lives, principally on a straight-line basis. Furniture and equipment are depreciated over their estimated useful lives (primarily three to seven years). Buildings and leasehold improvements are depreciated or amortized over their estimated useful lives (primarily fifteen to thirty years).

8. Donated Services

No amounts have been recorded for donated services since no objective basis is available to measure the value of such services. However, a substantial number of volunteers have donated significant amounts of their time in the Association's program services and its fund-raising campaign.

9. Gift In-Kind

The Association is the recipient of program materials of approximately \$9,300 for the year ended September 30, 2024, which have been recorded in the accompanying statement of functional expenses as supplies and occupancy expenses, as well as in the accompanying statement of activities as contributions in as much as an objective basis that is available to measure the value of such materials and rental facilities.

10. Cash and Cash Equivalents

Cash equivalents consist of highly liquid short-term money market instruments or certificates of deposit with an original maturity of three months or less. Financial instruments that potentially subject the Association to concentrations of credit risk consist of cash and cash equivalents. The Association manages this risk through the use of high credit worth financial institutions. Interest bearing and non-interest-bearing accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor at each financial institution. Deposits exceed the amounts insured by the FDIC. The Association has not experienced any losses from its deposits. Highly liquid debt instruments with original maturities of three months or less that are included as part of the investment portfolio are excluded from cash equivalents as they are commingled with longer-term investments.

11. Unearned Membership Dues

The Association's members pay membership fees in advance for annual, semi-annual, or quarterly membership. Certain prepaid memberships were received but not earned as of September 30, 2024. Included in the accompanying financial statements are \$86,598 of unearned membership fees at September 30, 2024.

12. Unearned Revenue

Unearned revenue includes income received in advance of \$189,000 in 2013 for a 50-year cell tower lease on the property of one of the Association's branches. Approximately \$148,000 has not been earned as of September 30, 2024. Unearned revenue also includes payments received in advance of approximately \$505,000 for programs such as sports leagues and after school care.

13. Functional Allocation of Expenses

The statement of functional expense presents expenses by function and by natural classification. Expenses directly attributable to a specific function area of the Association are reported as expenses of those functional areas.

NOTE A - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

All expenses attributable to a branch are charged to program expenses. These expenses are then allocated between the Adult Wellness, Childcare and Family, and Comprehensive Youth program classifications based on the percentage of membership revenue received from the adult, children and family, and youth membership categories.

Expenses that are attributable to the Administrative office that benefit multiple functional areas have been allocated across programs, general and administrative, and fundraising expenses. The basis used for allocation of these expenses depends on the nature of the underlying expense. The methods used are based on the proportion of employee time involved, square footage, and usage.

Expenses allocated based on the proportion of employee time involved include salaries and wages, payroll taxes, and employee benefits. Expenses allocated on the basis of square footage used include occupancy and maintenance expenses. Expenses allocated on the basis of usage include printing and postage related expenses.

The Association has three primary program activities listed below:

Adult Wellness

As a community leader in health and wellness, the Association understands the importance of physical activity and a balanced diet. The Association helps improve the community's health and wellbeing by providing a variety of programs and activities that promote wellness, reduce risk of chronic disease, and help others manage and reclaim their health. These include the Pedaling for Parkinson's, EnhanceFitness senior fitness and arthritis management program, Y Weight, LIVESTRONG at the YMCA for cancer survivors, SilverSneakers for active older adults, and the Y's Diabetes Prevention Program.

Childcare and Family

The Association cares for the total child, ensuring they leave with everyday tools to prepare them for learning and succeeding in a school environment. The Before and After School Enrichment (BASE) programs help kids discover who they want to be. Kids build their self-esteem and learn how to be responsible, self-reliant, and inclusive with people who are from different backgrounds all while keeping their bodies and brains active and engaged. Trained and experienced staff engage students in project-based learning with a focus on STEAM (Science, Technology, Engineering, Art, and Math), cultural arts and service learning. Children also participate in an evidence-based physical fitness and health curriculum which includes free healthy snacks.

Comprehensive Youth Development

The Association provides opportunities for tens of thousands of youth to cultivate the values, skills, and relationships that lead to positive behaviors, better health and educational achievement. The Association works to close the achievement gap through evidence-based programs that improve students' educational readiness, engagement, and outcomes, while helping them grow emotionally and physically, too. Additionally, through youth sports, day camps, and teen leadership programs, kids and teens learn valuable qualities needed to succeed in school and life. The Association believes a confident kid today creates contributing and engaged adults tomorrow.

14. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. The most sensitive estimates affecting the financial statements are the collectability of pledges and the useful lives of capital assets. Actual results could differ from these estimates.

15. Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total, but not by asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles accepted in the United States of America. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended September 30, 2023, from which the summarized information was derived.

16. Income Taxes

The Association is a non-profit agency under the laws of the State of Florida and is exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Code provides for taxation of unrelated business income under certain circumstances. The Association believes that it has no liability for taxes with respect to business income. However, such status is subject to final determination upon examination of the related income tax returns by the appropriate taxing authorities.

NOTE A - DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The Association follows Accounting Standards Codification Topic 740, "Income Taxes" ("ASC 740"). A component of this standard prescribes a recognition and measurement threshold of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Association's policy is to recognize interest and penalties associated with tax positions under this standard as a component of tax expense, and none was recognized since there was no material impact of the application of this standard for the year ended September 30, 2024. The Association's information returns are open to IRS examination for the 2021 tax year and all subsequent periods.

17. Special Events

The Association conducts special events for the purpose of raising money for annual operations. The Association had special events revenue of approximately \$2,355,000 and related expenses of approximately \$530,000 during the year ended September 30, 2024.

18. Accounting Standard Update

In June 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurements of Credit Losses on Financial Instruments* ("ASU 2016-13" or "ASC 326"). ASU 2016-13 revises the accounting requirements related to the measurements of credit losses and requires organizations to measure all expected credit losses for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. Assets must be presented in the financial statements at the net amount expected to be collected. The adoption of this accounting standard did not have a material impact on the financial statements.

Total investment return	<u>\$ 1,946,552</u>

NOTE C - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Association has adopted the FASB Accounting Standards Codification Topic. 820, "Fair Value Measurements" ("ASC 820") which establishes a framework for using fair value to measure assets and liabilities and defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) as opposed to the price that would be).

Under ASC 820, a fair value measure should reflect the assumptions that market participants would use in pricing the asset or liability, including the assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. ASC 820 requires disclosures that stratify statement of financial position amounts measured at fair value based on inputs the Association used to derive fair value measurements.

These strata include:

- Level 1 valuations, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets (which include exchanges and over-the counter markets with sufficient volume),
- Level 2 valuations, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market, and
- Level 3 valuations, where the valuation is generated from model-based techniques that use significant assumptions not observable in the market, but observable based on Association-specific data.

NOTE G - COMMITMENTS

1. Pension Plans

Substantially all full time Association employees are participants in a retirement plan administered by the Young Men's Christian Association Retirement Fund (the Plan). The Plan is a defined contribution plan and requires a contribution of 12% of participants' salaries. To be eligible to be enrolled in the Plan, participants must have completed 1,000 hours of service during each of any two 12-month periods, beginning with date of hire. These two years do not have to be consecutive. Participants must be at least 21 years of age. Once participants are eligible, they will be enrolled in the plan and immediately vested. Total expense was approximately \$1,153,000 for the year ended September 30, 2024.

2. National Support

The Association is a member of the YMCA of the USA. The Association pays approximately 1% of earned revenue subject to financial support and not to exceed a maximum threshold established by the YMCA of the USA for national support. The national support expense was approximately \$528,000 for the year ended September 30, 2024. The amount is included in national support on the statement of functional expenses.

3. Land Lease Agreement

In May 2024, the Association entered into a land lease agreement for a portion of an 18.3-acre parcel owned by a third party in Wesley Chapel, Florida. The Association will construct a new facility on 8.2 acres of that land. The landlord will retain 10.1 acres of land for their future construction of a medical services facility. The agreement provides for joint use and maintenance of an initial 400 parking spaces. The value of the Association's 8.2 acres of land was established by an appraisal and at completion of the project, the Association will make an annual payment to the landlord in the amount of \$130,496 for thirty years after which time the Association shall own the land. The Association also has the right to pay off the remaining balance owned at any time to complete the purchase of the land.

During 2024, the Association and the landlord began site development work on the land. It is anticipated that the Association will begin construction of its new facility on this land during the first half of 2025 with a projected facility completion and opening date in the 3rd quarter of 2026. At September 30, 2024, the Association recorded a liability in the amount of \$1,223,551 toward the site development costs that are shared with the landlord. The Association's total project cost, including shared site development costs and costs specific to the construction of the Association's facility, is projected to be around \$36 million.

4. Other Obligations

In the course of its normal operations, the Association enters into contract service agreements with technology providers, promotional partners, and others. Some of these agreements are multi-year agreements which the Association cannot terminate without cause. The expenditures for these services are reflected in the appropriate line on the Statement of Functional Expenses. As of September 30, 2024 the future commitments for these contract service agreements total \$9.6 million and will be expended over the upcoming fiscal years ending in 2025, 2026, and 2027.

NOTE H - PROMISSORY NOTE

The Association was obligated under a promissory note in the amount of \$23,400,000 in favor of the Hillsborough County Industrial Development Authority (the "Authority") in conjunction with the Authority's issuance of \$23,400,000 in Hillsborough County Industrial Development Authority Variable Rate Demand Revenue Bonds (Tampa Metropolitan Area Young Men's Christian Association, Inc. Project) Series 2000 (the "Bonds") issued on June 28, 2000, to finance the cost of acquisition, construction, renovation, and equipping of certain YMCA facilities to be located in Hillsborough County, Florida.

The bond proceeds were loaned to the Association under a loan agreement between the Authority and the Association. The Authority, through a trust indenture between the Authority and the Bank of New York (the "Trustee"), assigned its rights under the loan agreement and the promissory note to the Trustee as security for the bonds, which was secured by a letter of credit in an amount sufficient to pay the outstanding principal and interest on, or purchase price of the bonds, not to exceed \$23,736,575.

On May 15, 2013, the Association entered into a Revenue Refunding Bond ("Financing Agreement") with the Authority and Regions Capital Advantage, Inc. ("Bondholder") to repay and retire the outstanding principal on the Bonds described above with the issuance of an industrial revenue bond in the amount of \$16,400,000. At the same time, the Association entered into a loan agreement with Regions Bank for a loan of \$16,400,000. The Financing Agreement bears interest at a fixed rate of 2.65% through May 1, 2025 ("Mandatory Purchase Date") and is secured by contributions receivable and property of the Association. Principal payments were deferred through June 1, 2016; therefore, the Association began making principal payments during the year ended September 30, 2016. The Lender may, at its sole discretion, agree to extend the Mandatory Purchase Date. Should Lender decide to maintain the credit facilities past the Mandatory Purchase Date (through an extension of the Mandatory Purchase Date or reissuance), Lender would reset the fixed interest rate within 30 days of the Mandatory Purchase Date. Interest payments are due and payable monthly through maturity on May 1, 2029. The Association is in the process of soliciting proposals for the refinancing of this Promissory Note along with the other existing notes payable and expects to complete a refinancing transaction prior to the mandatory purchase date.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE
FINANCIAL ASSISTANCE

September 30, 2024

NOTE A - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance includes the federal and state grant activity of Tampa Metropolitan Area Young Men's Christian Association, Inc. (the "Association") and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* (Chapter 10.650). Because the Schedule presents only a selected portion of the operations of the Association, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Association.

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Association has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE B - CONTINGENCIES

These federal programs and state projects are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures, and affect the Association's continued participation in specific programs. The amounts, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Association expects such amounts, if any, to be immaterial.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Governance Board
Tampa Metropolitan Area Young Men's Christian Association, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Tampa Metropolitan Area Young Men's Christian Association, Inc. (the "Association") (a nonprofit organization), which comprise the statement of financial position as of September 30, 2024, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 16, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

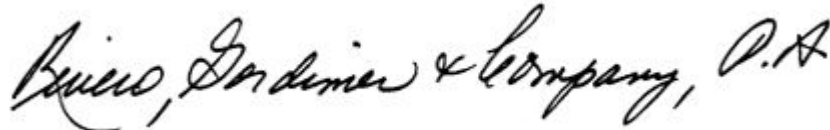

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited Tampa Metropolitan Area Young Men's Christian Association, Inc.'s (the "Association") (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement*, that could have a direct and material effect on each of the Association's major federal programs and state projects for the year ended September 30, 2024. The Association's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Association complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2024.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the State of Florida *Chapter 10.650, Rules of the Auditor General*. Our responsibilities under those standards and the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Association's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Association's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Association's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable use of the report on compliance about the Association's compliance with the requirements of each major federal program and state financial assistance project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and Chapter 10.650, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Association's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Association's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

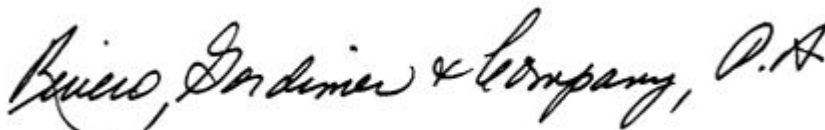

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
